THE ANNUAL MRAC XMAS DINNER PARTY was more than a rousing success as we celebrated 65 years of affiliation with the American Radio Relay League. Guests of Honor included Edmond Metzger, W9PRN, ARRL Central Division Director, and Roy Pedersen, K9FHI, newly retire SCM and his wife Beryl, KA9BAC. All MRAC Old Timers present were honored as was a group of members who have done much hard work for the club. Also honored were the teaching staff and our school aides. Door prizes were plentiful. WE ARE INDEED GRATEFULL TO THE PABST BREWING COMPANY FOR THEIR HOSPITALITY.

MILWAUKEE RADIO AMATEURS CLUB has served Wisconsin amateurs for over 66 years and now offers all persons frequent and convenient opportunities to obtain or upgrade your FCC Amateur Radio License. Our license exams scheduled for Saturday, February 9, 1985, have been canceled. We will shortly announce a new schedule of exam dates. Watch for it. In the meantime, continue to file for tests with Harry Cieszki, KD9AJ, MRAC Sec'y, 3760 South 43rd Street, #21, Milwaukee, WI 53220, using procedure as outlined in the November issue of Hamateur Chatter.
